NKS Policy

* Tuition: Nurturing Knowledge Schools' (NKS) programs operate from September to June. For your convenience, annual tuition is based on the number of days in the school year divided into ten equal monthly payments. Tuition is paid via Direct Tuition Payment (DTP) through checking/savings auto draft or credit/debit card. Credit card DTP transactions will incur a 3% processing fee. Tuition will be drafted between the 1st -5th of each month. If funds are not available, you will incur a \$35 NSF fee to be included in the redraft of your monthly tuition via DTP. There is no credit for vacations, inclement weather, school breaks, holidays, time missed during the school year or school closures due to unforeseen events. Please refer to the 2016-2017 annual school calendar for school closures and observed holidays. A nonrefundable \$300.00 deposit is required for each child enrolled, due and payable upon acceptance into NKS. Deposits will be forfeited should a withdrawal occur from your child's upcoming enrolled school year or during your child's currently enrolled school year. A nonrefundable \$75.00 annual registration fee is required for each family, due and payable via DTP each September. For mid-year enrollment, the annual registration fee will be due and payable upon acceptance into NKS. Drop in and Full Day Programs are available on a space available basis through our on-line form with payment due upon submittal, via credit/debit card.
