SCHOOL

NKS offers after school care on-site at both **Greenwood Elementary** and **Loyal Heights Elementary**. For more information about our admissions process and to submit an application, please visit our Apply page: <https://nurturingknowledgesa.com/apply/>

PROGRAM HOURS

Mon / Tues / Thurs / Friday	2:25p - 6:00p
Wednesdays (SPS Early Release)	1:10p - 6:00p

(Some school / PTA sponsored events taking place in the evening may prompt a 30- or 60-minute early closure.)

During school breaks we offer full day care on-site (excluding holidays) at an additional daily cost. The full day program alternates between our two sites and is open to all students enrolled in our After School program. Registration for our full day program is on a first-come, first-served basis. Current full day rates can be found on our [tuition page](#).

AFTER SCHOOL ROUTINE **

2:25p	Arrival at NKS / Check-in
2:30p	Snack
3:00p	Outside Play
3:45p	Quiet Reading / Homework
4:00p	Circle Meeting / Group Story
4:15p	Enrichment / Programming
5:15p	Programs Combine / Enrichment extension / Cooperative Choice

NKS enrichment is designed to inspire learning, creativity, exploration and adventure. Students will engage a healthy variety of art and design, building and construction, literacy and reading, STEAM, physical activity, games and more!

** On SPS Early Release Wednesdays, additional outdoor play and Free Choice time occupy the longer After School program day.

SCHEDULE OPTIONS & TUITION RATES

Students can attend our program full-time or part-time, based on space availability. There is a three-day per week minimum. You can find our tuition rates [here!](#)

HOMEWORK SUPPORT

We provide a dedicated period each day when our 3rd - 5th graders can read or get started on their homework.

We encourage parents to double check this work at home. While our goal is for students to complete some homework after school, we cannot provide one-on-one support.

SNACKS

Afternoon snacks are provided at NKS. Our snack calendar includes mostly organic foods, is GMO-free and includes a fruit/vegetable or protein daily.

We do our best to minimize individually packed snacks, and steer away from processed foods. Students are welcomed to finish leftover lunch after school, with the exception of peanut products.

NKS is a 100% peanut/tree nut-free facility.

SUMMER CAMP

Each summer, NKS hosts camp sessions on-site at **Greenwood Elementary** or **Loyal Heights Elementary**. Our camp is open to children entering 1st through 5th grades in the Fall, and are structured around weekly themes. Children enrolled in our After School program are offered priority registration in March, on a first-come, first-served basis. Please see our Summer Camp page for more information!:
