and NKS Students entering
6th Grade

LOYAL HEIGHTS
ELEMENTARY
7735 25th Avenue NW

Welcome to Nurturing Knowledge School's SUMMER CAMP Program!

We'll be "camping" on-site at **LOYAL HEIGHTS ELEMENTARY**--
sign up for as many or as few weeks as suits your summer plans!

Summer Camp is available for children who are entering 1st-5th grades in Fall 2024. Children currently enrolled in our School Age Program who are entering 6th grade are also eligible to attend!

At NKS, we are eager to provide a healthy summer rhythm for our students -- filled with friendship, fun, and unique learning experiences. Our campers will enjoy art-making and creating, building and engineering, games and literacy, science, cooking, gardening and more.

We very much appreciate families remaining diligent in keeping campers home when they are unwell or are experiencing symptoms of COVID.

Registration is on a first-come, first-served basis. No cancellations, schedule changes, or refunds after registration is complete.

Contact information is available on our website:

CAMP CLOSURES: July 4 (in observance of Independence Day)

WEEK ONE

JULY 1 - JULY 5

UNDER CONSTRUCTION*

Anticipation is *building* for the first week of Summer Camp! Whether you're a lego enthusiast eager to snap up the ultimate project, or you're a cardboard constructivist extraordinaire, this week is for you! Our designers, builders, and engineers will craft seaworthy tin foil boats, assemble fantastical popsicle stick structures, and design the zippiest race cars in town.

* Camp is closed for Independence Day on Thursday, July 4

WEEK TWO

JULY 8 - 12

SEW FANCY

Our ever-popular sewing week is back for its 3rd year in a row! During this stitch sesh, campers will produce puffy pillows, and sew small stuffed animals ... they'll bead up a cute critter or two, construct crafty keychains, and finagle fabulous friendship bracelets. Get *thready* for a busy week of creativity!

WEEK THREE

JULY 15 - 19

HAPPY TRAILS

Calling all nature lovers, adventurers, and animal aficionados! This week we'll be basking in summer sunshine and celebrating the great outdoors ... taking nature walks, studying bugs and birds, and then capturing our inspiration in mosaic-style nature art. Beauty is all around us!

WEEK FOUR

JULY 22 - 26

A WAY WITH WORDS

Whether you love to get lost in a good book, or if you'd rather illustrate your own superhero comic strip, this week's theme is *composed* just for you! If the structure of haiku resonates with you ... or if free verse poetry is your jam ... or if penning a play fills you with glee -- we wanna *book* you for this session!

WEEK FIVE

JULY 29 - AUGUST 2

WORLDS OF WHIMSY

Storybook themes spring to life in this enchanted and magical sesh! We will design fanciful fairy houses, construct *clawsome* clay dragons, and get lost in the reverie of storytelling. Taken to tales of ancient Greece? Looking to launch into outer space? We got you ... no place is off limits during this whimsical week!

WEEK SIX

AUGUST 5 - 9

THE SNACK LAB

This hands-on week serves up fare both savory and sweet! No background in cooking is necessary ... just bring your enthusiasm for culinary creativity! Think sun-kissed s'mores and the smoothiest smoothies, fabulous fruitscapes and a scrumptious chef's surprise ... we'll dish up tasty treats to satisfy all favored flavors!

WEEK SEVEN

AUGUST 12 - 16

FUN WITH SCIENCE

This experiential science week will blow your mind! Campers will mix, make, and *bond* over our many experiments and discoveries, as we set our potions in motion! We'll design exhilarating explosions, blend batches of kinetic moon sand, and explore captivating chemical reactions. Campers will put on their *smartypants* during this high energy week!

WEEK EIGHT

AUGUST 19 - 23

STAGE RIGHT

The stage beckons! This week we pay homage to the wonderful world of the performing arts. Whether you fancy story craft, theatre sports, poetry slams, or singing, this is your week to shine like the star you are ... the name of the game is dramatic play all day!
