SUMMER CAMP 2026

WEEKLY SESSIONS
June 23 - August 21

Open to
2026
1st - 5th Graders

**LOYAL HEIGHTS
ELEMENTARY
7735 25th Avenue NW**

Welcome to Nurturing Knowledge School's SUMMER CAMP Program!

We'll be "camping" on-site at **LOYAL HEIGHTS ELEMENTARY**-- sign up for as many or as few weeks as suits your summer plans, full or half days!

At NKS, we are eager to provide a healthy summer rhythm for our students -- filled with friendship, fun, and unique learning experiences.

Our campers will enjoy art-making and creating, building and engineering, games and literacy, science, cooking, and more ... occasional walking field trips get us out and about!

Program Hours:

Full Day (9 hours): 8:00a - 5:00p

Half Day (5 hours): 9:30a - 2:30p

Program Rates*

Full Day Weekly Rate (Weeks 1 - 3) \$415

Full Day Weekly Rate (Weeks 4 - 9) \$518

Full Day Daily Rate (All Weeks) \$122

Half Day Weekly Rate (Weeks 1 - 3) \$265

Half Day Weekly Rate (Weeks 4 - 9) \$331

Half Day Daily Rate (All Weeks) \$79

** A \$75 registration fee is required at sign-up for students not currently enrolled in our After School Program.*

WEEK ONE

JUNE 23 - JUNE 26 (Tues-Fri)

SUMMER LIFT OFF!

Ready, Set, Summer! We're launching with an intergalactic-inspired week packed with wonder and discovery ... campers will journey through planets, stars, and galaxies far, far away as they design their own imaginative worlds and craft glowing galaxy jars. The week will conclude with a special mission launch to "outer space," celebrating curiosity, creativity, and imagination.

WEEK TWO

JUNE 29 - JULY 2 (Mon-Thurs)

BURST OF CREATIVITY

Trust the process! This high-energy art week will explore the expressive—and messy!—side of masterpiece making. We will craft with clay, splatter paint canvas, experiment with watercolor resistant art, sketch a still life, and more ... art is for everybody!

WEEK THREE

JULY 7 - 10 (Tues-Fri)

PASSPORT TO ADVENTURE

Around the world in five days ... campers will embark upon a global adventure, where the traditions, games, foods, and destinations from around the world come into vibrant view! This week invites curiosity, connection, and discovery as we learn about the many ways people and cultures celebrate, play, and live.

WEEK FOUR

JULY 13 - 17

INNOVATION STATION (STEAM)

Get ready to tinker, build, and create! This week, campers are invited into a world of exploration, experimentation, and surprise ... from designing marble roller coasters, to tackling “unplugged” coding challenges, and even digging into real fossils! Campers will experience the joy of innovation through play and discovery.

WEEK FIVE

JULY 20 - 24

CENTER STAGE

Lights, camera, action! Our theatre week will be led by our very own thespian extraordinaire, Teacher Beverly. Whether your camper dreams of costume and set design, prefers the behind-the-scenes magic of backstage, or loves stepping into the spotlight, there’s a role for everyone to play!

WEEK SIX

JULY 27 - 31

JOY OF COOKING

Kitchen capers await! Homemade pizza, dried citrus fruits, and even a classic bake-off are all on the menu this week ... children will experience the joy of cooking through playful experimentation, rad recipes, and fun flavors!

This week is fully inclusive of all campers— including those with food allergies. All foods prepared and consumed will be safe for everyone onsite.

WEEK SEVEN

AUGUST 3 - 7

FIELD WEEK

Back to basics! This sesh is a nostalgic nod to good ol'-fashioned summer camp ... we'll soak up the last of the summer sunshine with plenty of time in nature, camper-designed and -led outdoor games, bug habitat construction, and classic camp activities like camp songs, picnics and s'mores.

WEEK EIGHT

AUGUST 10 - 14

STITCH 'N SEW STUDIO

Back by popular demand! Campers will literally stitch their ideas together during this fanciful fiber arts foray! We'll sew mini stuffies, craft felt pouches, design friendship bracelets and create beaded animal keychains during this week filled with creativity, focus and fun!

WEEK NINE

AUGUST 17 - 21

GOLD MEDAL FUN

Teamwork for the win! We'll close out summer with an Olympics-inspired extravaganza ... with an emphasis on sportsmanship and synergy, campers will design team flags and participate in friendly group sport challenges. For campers who prefer non-sporting activities, there are plenty of creative roles to be played—team coach, scorekeepers, cheer squad, crew artists—everyone shines bright as gold!
