## HOMEWORK SUPPORT

We provide a dedicated period each day when our 3rd - 5th graders can read or get started on their homework.

We encourage parents to double check this work at home. While our goal is for students to complete some homework after school, we cannot provide one-on-one support.

## SNACKS

**Afternoon snacks are provided at NKS.** Our snack calendar includes mostly organic foods, is GMO-free, and includes a fruit/vegetable or protein daily.

We do our best to minimize individually packed snacks, and steer away from processed foods. Students are welcomed to finish leftover lunch after school, with the exception of peanut products.

***NKS is a 100% peanut/tree nut-free facility.***

## SUMMER CAMP

Each summer, NKS hosts camp sessions on-site at **Greenwood Elementary** or **Loyal Heights Elementary**.

Our camp is open to children entering 1st through 5th grades in the Fall, and are structured around weekly themes. Children enrolled in our After School program are offered priority registration in February, on a first-come, first-served basis; registration will be open to all other families beginning in March, as space allows
