THEATRE ARTS

Lights, camera, action!

This inspiring theatre week is led by our very own thespian extraordinaire, the inimitable Teacher Beverly! Whether your camper dreams of costumery and set design, prefers behind-the-scenes wizardry of the brilliant backstage, or loves stepping unabashedly into the spotlight, there's a meaningful role for everyone to play!

WONDER WEEK

AUGUST 3 - 7

SCIENCE + SUNSHINE

S'more science, please! This week, campers are invited to fuse a world of exploration and experimentation with some good ol' fashioned summer campin' ... STEAM and science on the inside, with camp songs and gooey s'mores on the outside! This week is *engineered* to center fun, friendship, play and discovery.

STITCH 'N SEW STUDIO

AUGUST 10 - 14

FIBER ARTS + CRAFTS

Back by popular demand! Campers will literally stitch their ideas together during this fanciful fiber arts foray! We'll sew mini stuffies, craft felt pouches, design friendship bracelets and create beaded animal keychains during this week filled with creativity, focus and fun!

GOLD MEDAL FUN

AUGUST 17 - 21

SPORTS + TEAMWORK

Teamwork for the win! We'll close out summer with an Olympics-inspired extravaganza ... with an emphasis on sportsmanship and synergy, campers will design team flags and participate in friendly group sport challenges. For campers who prefer non-sporting activities, there are plenty of creative roles to be played—team coach, scorekeepers, cheer squad, crew artists—everyone shines bright as gold!
